RSE Introductory Events are facilitated by local RSE coordinators or selected current students who live in the area. These events consist of introductory video teachings by JZ Knight and Ramtha and a video montage that showcases what you can learn at this extraordinary school. The material presented at these events also introduces the audience to Ramtha's disciplines for creating personal reality, including:

Fieldwork®, Neighborhood Walk®, Analogical Archery<sup>SM</sup>, Sending-and-Receiving & Remote-Viewing.

This Introductory Event will introduce you to the extraordinary abilities of your brain latent in you and the tools to Become a Remarkable Life®! You will be introduced to the ancient wisdom Ramtha learned in his life that led him to his enlightenment. You will study the modern scientific discoveries in neuroscience and quantum physics that validate what the masters have always known about who we really are and how we create our own reality.
